

# Annual Cops for Kids Charity Basketball Event Cancelled

In the wake of the COVID-19 pandemic and the Governor's Safe at Home order. The annual Cops for Kids Charity Basketball event hosted by Encore Promotion's LLC and the DCDSA had to be cancelled. We are hoping to schedule an alternate date and we will announce that when plans can be finalized. We apologize for the inconvenience but hope for your continued support for a program that helps so many underprivileged youths in Dane County.
